

Female coupler

NPT female thread

3/8" FNPT

Technology

"One push" safety system (avoids hose whip)

Operating pressure

29 to 232 psi

Flow rate at 100 psi

148 cfm (?P : 8.70 psi)

ID Passage

1/2" body size

Temperature

+5°F to +158°F

Construction

Body : Stainless steel

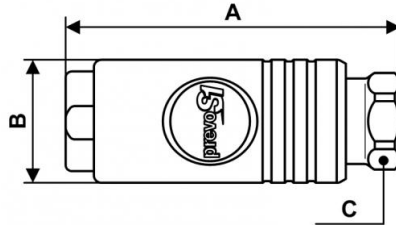

Highlight

Anti-static Excellent efficiency
Harsh conditions
